

REED HILL ENGLISH RIDING APPAREL

Directions to; Stock Tie

1. With slot to back of neck, bring A through slot and carry right around to the front.

2. Bring end B to the front.
3. Tie a square knot, very loosely.

4. Unfold outside vertical portion of knot (X-Y) to its full width centering it.

5. Flatten and adjust the portion of the ends which come out from under X-Y. Bring A and B up behind the knot and fold over the knot to form an 'X'.

6. Pin with your favorite stock pin. The pin must go through as much of the knot as possible. Pin ends A and B to riding shirt, such that they are hidden by your vest or coat.
